

**State of Alabama Board of Licensure for  
Professional Engineers and Land Surveyors**

Disciplinary Actions

**October 28, 2005**

Mr. **Bert A. Hays**, PLS 20633 met with the Board at an informal hearing concerning a complaint the Board received that indicated he mistakenly provided a survey of the wrong tract of property and then failed to correct the error. At the conclusion of the hearing the Board determined Mr. Hays should be strongly cautioned to provide his clients with a written scope of the work to avoid any misunderstanding of the services to be performed and should be publicly reprimanded for his failure to respond to the Board's inquiries relative to the complaint.

Ms. **Addie M. Dubose**, non-licensee, agreed to a consent order that indicated she had paid \$120.00 to the Board as payment for a dishonored check and service charge and the consent order and final order to become public record.

Mr. **Larry M. Britt**, non-licensee, agreed to a consent order that required him to cease and desist the practice of identifying himself with the PE title relative to work performed in the State of Alabama. Mr. Britt further agreed to cease and desist the practice or offer to practice of engineering in Alabama until such time as he receives a license to practice engineering in the State of Alabama, to pay the State of Alabama General Fund a civil penalty of \$967.00, to pay the Board \$533.00 as administrative cost of the investigation and the consent order and final order to become public record.

Mr. **Nathan B. Carter Jr.**, PE 12889 agreed to a consent order that required his license to practice engineering in the State of Alabama to be suspended effective October 28, 2005 until July 21, 2006 due to disciplinary action being taken by another state board, one year probation commencing when the suspension period ends and the consent order and final order to become public record.

Mr. **David M. Beasley** PE 5693 was found guilty at a formal hearing for practicing engineering in the State of Alabama during the time his license to practice engineering was lapsed and failing to respond to the Board's requests for information and documentation. At the conclusion of the hearing the Board issued an Order that revoked Mr. Beasley's license to practice engineering in the State of Alabama.

Mr. **Kelly S. Simison** PE 24110 was found guilty at a formal hearing of receiving a felony criminal conviction for possession of codeine. At the conclusion of the hearing the Board issued an Order revoking Mr. Simison's license to practice engineering in the State of Alabama. The Order further stayed the revocation of his license until such time as his civil rights are restored.
